Funnel Mastery

Read the complete story here

Educated as a programmer Went into finance and created businesses

Raised more than \$18 million in less than 48 hours

Created a brand new exchange

Obtained the fastest operating approval ever by the Securities and Exchange Commission

Valuation of his company reached more than US\$ 100 Million

Lost everything during September 11, 2001

His company was located on the 84th floor of One World Trade Center

He fell into PTSD

His loss made him realize a new perspective

His non-stop hustle-and-grind had ground down his relationships with his wife and children

How lucky he was to have lost the business and not them

There's always a gift on the other side of every adversity, obstacle, and challenge

It's simply a matter of finding it

The Ultimate Unified Communications Solution

He created the first Business VoIP service in the US

Reynwood Hosted VoIP - Award Winning Business Phone Service

Rich's Rules

Find the gift in every circumstance even in tragedies

Search and Understand your WHY

Face and embrace your Fears

Find three (3) Thoughts / Things that you Focus on each day

Do affirmations and declare it!

Have your relationships be the foundation to building your wealth

Be resourceful Instead of just focusing on the big money, focus on how to serve humanity while making money

Sample power questions to ask yourself daily

Ask power questions
